LASER TAG!

On January 16, the youth group went to Laser Kingdom for an exciting night of Laser Tag! With a very good turn out, the youth formed one team and were able to play four games against another team.

So many kids showed up to make it an even more fun night, including Vanessa Bartolotta, Travis Belmonte, DeVaunte Maynes and his friend, Breanna Eng and three of her friends, Brittany Wyszomierski,

Joshua Eng, Heather Graham, Talia Arnon, John Carpeneto, Ali Pick, Rebecca Davis, Joe Carpeneto, Mrs. Carpeneto, and the whole Rudolf family. MVP's of the night included John Carpeneto, Mr. Rudolf, and a friend of Breanna's, as well as a friend of DeVaunte's.

As a result, the youth group's crazy laser tag skills awarded them a 4-0 score. They won all four games and had a great time all at once.

Think About It

Revelation 21: The New Jerusalem

The New Jerusalem is the Holy City that will be made known to all of God's people when the life of this earth is over. It is the ideal place of rest that all who know God strive to enter once this life has past.

In the New Jerusalem, there will be no death or mourning or crying or pain. The New Jerusalem will be protected with outstanding gates of twelve different precious gemstones.

It is written that he who overcomes will inherit all of this, and that God will be the Father and he will be God's

son.

Those who guard the gates to the New Jerusalem will not allow anything impure to enter, nor will what is deceitful and shameful be allowed in. But those whose names are written in the Lamb's Book of Life will surely be admitted into the New Jerusalem and there he shall live in peace for eternity.

Hanging out at the Rudolf's

The week after Laser Tag, Mrs. Rudolf invited the whole youth group to her house on Friday.

When they got there everything was set up for them. The Wii was in the basement, Jenga was in the dining room, the snacks were in the kitchen, and of course Brandon came prepared with his game, Risk.

Mrs. Rudolf allowed them to bake cookies in her kitchen for everyone, and while they were in the oven, a huge snowball game was occurring outside. There were also some playing Smash Brothers Brawl on the Wii in the basement, others were playing an intense card game of Egyptian Rats in the kitchen, and still others

were in the living room enjoying a serious but fun game of Risk.

For the whole night, everyone just hung out with each other and had a lot of fun.

Thank you to the Rudolf's for allowing such a fun experience!

Not Just Another Game Night...

On the second Friday of the month, the youth group had an ordinary night of game night scheduled, but this was not just another game night. Once again, the whole Rudolf family attended, as well as a good number of teenagers who were ready and willing to have fun.

The night started out with an action packed game of Dodgeball. With two even teams, there was a pretty equal amount of wins and losses for both sides. But it must be made known that Ryan Rudolf was the MVP of Dodgeball being that he was the last one standing on the field, earning a

win for his team.

After Dodgeball was a game of soccer that always gets a little rough, but it was still a fun time for all who participated.

The last event of the night was a school wide game of manhunt, but because the first round lasted so long only one round was played, and the winners of this round were Breanna Eng and her friend Caitlyn for never being found.

This was a very eventful game night with a lot of laughter and smiles!

Battlecry!! The Biggest Event of the Year!

The time has finally come for the favorite event of all of youth group! Mark the date, the weekend of April 17-18, 2009.

Battlecry is a huge two day concert in which people from all over the coast come to see the numerous bands and guest speakers.

The host band is Unhindered, a favorite every

year! Located in New Jersey we stay at a hotel for the weekend and have a lot of fun! That is why it is really important that we start fundraising a lot in order to cut the costs of this huge event!!

The youth group has participated in this event for the past two years and every year is a fantastic experience. We hope to have a really

good turnout this year like we have each previous year.

Now, because of all the fundraising that we did, anyone who helped raise money will have a paid ticket, so all that is left is the cost of the room.

The date just keeps on getting closer and everyone is so excited!!
